RE: 09/690,601

Dear Mr. Bergert,

The USPTO mailed a Notice of Allowability to your office on June 29, 2006. This notice included a requirement to correct the drawings including changes in the PTO-948 attached to the Notice of Allowability. The PTO-948 was not attached to the Notice of Allowability. This requirement was made in error as the drawings were previously determined to be acceptable as is notated in the office actions mailed on 09/09/2003, 04/07/2004, 11/24/2004. Therefore, the requirement to respond to this notice within three months is waived and no correction is required.

If you have any further questions or concerns, please do not hesitate to ask.

Sincerely, 
Kimberly Terrell, Manager
